

# DJ Neil Freeman

Neil's background in the entertainment industry started in 1994 whilst still at school, broadcasting in the Amber Valley area of Derbyshire, on "Valley Radio". He remains one of the East Midlands longest serving RSL radio presenters having worked on various other radio stations including Pride FM, Ashfield Community Radio & recently Moorlands Radio in the Staffordshire Moorlands, where he continues to broadcast regular dance shows from 2009.

1998 was his first experience of Mobile Disco's that saw him team up with a friend to provide entertainment at different functions across the Midlands and South West, travelling around in an old Ford Fiesta whilst carrying a Hi Fi amplifier and an extensive array of lighting equipment....some say a travelling night club!

Following a relocation to the South Midlands in 2005, he hired a stage effect from Steppin' Out for his own house party, and since then has been a regular entertainments provider in the area acting as a DJ at wedding receptions & birthday parties or providing public address (PA) services at an array of different presentation functions and awards ceremonies

## **Style**

Neil can tailor his style to suit any type of event and with his radio broadcasting experience and enthusiasm for events entertainment, he stands out from the more traditional Mobile DJ and is an ideal choice for those functions that require more than just music, but a complete entertainment package for any occasion!
