### ***MIND READING, MENTALISM & THOUGHT CONTROL***

***"This is not a magic show, It far surpasses the boundaries of magic."***

This show enters a whole new level of fun as mentalist, Adam, experiments in many areas of the paranormal and mind control. It is not education - it is strictly light hearted entertainment. Adam engages the audience whilst they witness things that seem impossible right in front of their eyes!

#### ***Is it real or illusion?***

Ah-ha! sorry on this one!... My job is to make people ask this question, not to answer it!

***To put it simply, I entertain with psychological subtleties and mysteries of the mind!***

This mind reader show is up to 45 minutes in duration, it is self contained, it can be performed at most venues and occasions and is available as a stand alone show or as a package with the hypnotism show.
