Our 80s Tribute Show

A Kick up the 80s act consists of up to a 90 minute show (plus encores), including choreography and several costume changes. Our usual set structure is 2 x 45 minutes, but we can also do other show lengths on request. We supply our own professional PA system with Sound Technician, and full stage and effect lighting. All our band equipment is PAT (Portable Appliance Test) approved and we have full public liability insurance cover for up to £5,000,000.

We do shows at the following public and private events:

CORPORATE PARTIES / EVENTS - See the boss girating to 'Love Shack', and make sure you get photographic evidence! Better still, email your photo to us and we'll post it on this site!

FESTIVALS / OUTDOOR SHOWS - We'll get the crowd up and dancing - big or small.

BIRTHDAY PARTIES - Getting to 30 or 40 (or even 50)? Show us you can still boogie with the best of them!

ANNIVERSARIES - Re-live that first romantic moment with 'Time of My Life'. 'Like a Virgin' anyone?

80s THEME NIGHTS / SCHOOL REUNIONS - We guarantee to bring the memories flooding back and make it an excellent night for all.

STAG AND HEN NIGHTS - The Hens love 'Raining Men' and the Stags love 'Town Called Malice'. Our singing competition during 'Don't You Want Me' is great fun!

Testimonials

This is a small selection of the many testimonials we have had over the years from previous customers.

"Just wanted to say how amazing you all were the other night for my 40th. I've not come down from the buzz yet and everyone commented on how fantastic you were. You totally exceeded my expectations, and not only did you look and sound fantastic- but you were all so lovely to deal with and just go on with setting up and derigging with the minimum amount of fuss. I hope you enjoyed it as all my guests were raving about how good you were and I hope you get some bookings out of it, as there was a lot of interest. I want to have my party every week- with you guys there." - **Suey Ross**

"Booked a AKU The 80's for my 40th party and they made the evening. Excellent set, with very good 'soundalike' classic 80's songs. They even dress the part too ! Excellent communication throughout - I would strongly recommend." - **Dave Wooton**

"Booked the band for my wife's birthday. Great show. Got everyone dancing and very friendly guys. Would definitely recommend them." - **Phil Knight**
