

Blazing – Wild West Band

Blazing are the first choice for 'Wild West' themed events. They specialise in corporate events where 'country and western' and 'cowboys' are the order of the day. Many big corporate names (Virgin Mobile, Cannon, Lloyds, Medicare etc) use Blazing Saddles for Staff training, team building days, and family fun events.

Blazing specialise in playing modern country rock mixed with old favourites that people like to sing along and stomp to. Audience participation is encouraged, with 'Dixie' calling fun line dances and square dances, which everyone can have a laugh joining in with. It's big fun all the way! A great time and memorable event is guaranteed.
