

Close-Up Magician Christopher

Christopher - seen here amazing the bride and groom at a wedding reception with his brilliant close-up magic.

At weddings Christopher will mingle with your guests after the service and keep everyone thoroughly entertained before and during the reception. Throughout the meal magic can be a fantastic ice breaker, bringing together groups of guests who didn't know each other before.

"His phenomenal magic coupled with an excellent personality has established him as a firm favourite with our diners. I have absolutely no hesitation in recommending Chris to anyone, as he is an exceptional entertainer who is an asset to my business."
