

Formula 1 Simulator

We have on offer the countries most innovative, exciting and best looking **F1 simulator available for hire.**

This is an almost exact replica of the 2005 **Ferrari F1 car**, you will get to live the dream and drive at 200-mph around the worlds greatest driving circuits (not literally, but almost as good as).

If you're looking for the wow factor at your **corporate event**, then look no further. This car will stop people in their tracks!

If you saw our stand at confex 2007, you will have had the pleasure of seeing this amazing machine.

Features:

The car comes with a 20" tft monitor.
Speakers built in to the air intakes.
2 themed race marshals to coordinate the racing action.

This car also has the capability of running a...
F1 Time Trial team building activity.

Teams can race against the clock on order to try to beat the wheel changing time of their fellow competitors. This car has all you need for a day of entertainment, exhilaration and childhood fulfilment.

The Car:

The **F1 car** is based on a 2004 car with 2005 wing upgrades, finished in high gloss Italian racing red paint-work. Our experienced operator's will set-up & demonstrate the units' capabilities (much to our distress!) & organise the timing of your **Pit-stop Challenges**, fastest lap's, structured competitions or static display and be on hand throughout your event.

For Display this stunning **Formula 1** replica can be used as a **simulator**, **pit stop team event** or as a display to **attract people's attention** for a product or **exhibition stand**.

Uses:

- Exhibition stands
- Advertising
- Product launches
- Branding
- Corporate hospitality
