

Anita

Face Painter

Face Paint artist, Anita Clark (BA Hons), has a degree in illustration, plus 8 years experience as a face painter.

This means that she can paint (almost) anything onto faces... just as well, with some of the crazy things that children's imaginations come up with!

Anita has services available for weddings, parties, corporate events, etc.

She is competitively priced and carries full liability insurance.

If you are looking for an extra special way of entertaining the children for a really great party; sprinkle a little fairy dust, and let's make some face painting magic.
