What People Say....

"Thank you so much for the amazing night of entertainment. You managed to make everyone laugh, many to the point of tears! It was a hilarious show from start to finish. All the material was new and it wasn't a case of listening to old jokes. The humor was adult (as requested) but nothing offensive!!! The way you managed to get audience participation was outstanding! I will never be able to look at my brother in law the same again! Everyone thoroughly enjoyed their evening and the only complaint was aching faces from all the smiling and laughter!"

"It was a truly unforgettable experience and every time I think about the show I laugh out loud!"

"Thank you so much for the best live show I have ever seen in this country. You are a star through and through and we can't wait to have you back again!"

"Ginny was a huge hit... from the wigs, to the frocks to the audience participation ... two words, glamorous and hilarious.

A perfect antidote to boring" civil partnership receptions!"

"Wow, that's all I can say really! Funny, glamorous and left the crowd crying with laughter. Will be having you back for sure!"
