

# GOSPEL CHOIR

We are a local based in Oxford, professional and enthusiastic Choir specialising in Gospel and Modern Vocal styles. We enjoy performing to a wide range of audiences for all types of events such as Weddings and Christenings, Special occasions and also corporate events and live or studio recordings. We can be very flexible in terms of repertoire, number of singers and accompaniment according to the specific occasion.

We have various options and the prices will depend entirely on the type of event and your specific requirements. For example if you wanted to have a rounded 'Gospel Choir Sound' we would suggest that you have either 6 or 9 singers and an accompanist (Keyboard/Piano player).
