

Laid Back Paddy Wack

Irish/Folk Music for Pubs & Parties

Formerly The Goats...

Laid Back Paddy Wack have been playing at pubs and functions for almost six years.

Following the success of the Goats, Sue, John & Mandy were not yet ready to retire. For the last couple of years they have been playing together as a band, with Keith, who has brought shanties and his harmonica to the table, adding to our already extensive repertoire of songs and instrumentals.

We play a mixture of Irish and English traditional tunes. We hope everyone will find something they know, and love to join in with during the evening. We've added a few examples of American folk and some modern choices we enjoy and have found to be popular with our audience.

And if you've ever wondered what a pub full of people singing 'The Fields of Athenry' looks like from where we're standing.
