The Rat Pack

Alongside Britain's best tributes to Dean Martin, Sammy Davis Jnr and/or Judy Garland. All shows can be booked with playback (backing tracks that were recorded with a big band) or with a live band - all sizes available.

The performances can last between 30 minutes and 2 hours depending on requirements. All formats come with a quality PA and lighting if required.

Jay rekindles the memory of the 20th century's greatest performer as Frank Sinatra.

From his vocal talent and style down to the smallest gesture you will truly believe the illusion...

That 'Ole Blues Eyes is REALLY back'.

Whatever the occasion, corporate function, wedding, private party or dinner dance. Jay will bring to life the magic that was.....Francis Albert Sinatra.

The show itself is totally self contained, including state of the art P.A. and lighting . You can choose from 2 x 45 minute sets or a straight hour.
