

# Indoor Laser Shooting

This **Indoor Laser Shooting simulator** is a stunning, **high tech game**, which replicates a large number of **shooting activities**.

The game is projected on to a large screen, which displays (with top quality graphics) the shooting scene, targets, clays and even animals. You can choose the most suitable game for your event and our trained marksman will guide you through the game.

This life like **shooting simulation** has a variety of modes; From clay pigeon shooting to wild west shooting gallery's and from duck hunting to partridge popping.

The game uses either a hand gun or a rifle as the tool for the job, you may choose which ever you feel most comfortable with.

As one of our most popular games, we must boast that this game is competitive, good looking and a great deal of fun.
