

# Line Dancers

A **line dance** is choreographed dance with a repeated sequence of steps in which a group of people dance in one or more lines or rows without regard for the gender of the individuals, all facing the same direction, and executing the steps at the same time. Line dancers are not in physical contact with each other. Older "line dances" have lines in which the dancers face each other, or the "line" is a circle, or all dancers in the "line" follow a leader around the dance floor; while holding the hand of the dancers beside them
