

My name is **MAD PETE** and I've enjoyed being both an adult's and children's entertainer for over 10 years. I'm CRB approved, fully insured and a member of Equity.

As professional magician and children's entertainer I'm skilled in a variety of performances including Children's Birthday Parties, Magic Shows, Balloon Modelling, Juggling, Circus skills and Adult Close Up Magic

I have fun providing the following -

CLOWN PARTIES
HARRY POTTER THEMED PARTIES
CIRCUS WORKSHOPS + CIRCUS WORKSHOP PARTIES
CHILDREN'S MAGIC SHOWS
WALKABOUT CLOWN
JUGGLER
FACE PAINTING
ADULT CLOSE-UP MAGICIAN

The venues I cover include Schools, Hotels, Fetes, Shop promotions, Corporate events, Team building days, Weddings, Christenings, and of course Children's birthday parties !

As a children's entertainer I've been involved with Harry Potter promotions for the film releases and book launches. Because of its popularity I've worked this into a style of children's party. These Harry Potter themed children's parties have proved to be very much in demand.

My Harry Potter themed parties include all sorts of wizardry based around the Harry Potter books and films.

Whichever children's party you decide on. Be it the Clown Party, Harry Potter themed Party or the Circus Workshop, all you need to provide are the children, the tea, birthday cake and the venue. I provide the rest !

My greatest assets are my energy, my diversity and my ability to make people laugh; be they kids at a children's birthday party or adults on a special night out.

CLOWN PARTIES

I offer the full 2 hour complete party.

In first hour the children will enjoy Bubbles (As big as beach balls !), Spinning Plates (They'll do this !), Great Team Games (inc. Space Hopper races) Music Games and Balloon Modelling.

Then whilst their eating I'll make sure that every child receives a Balloon Model.

I then finish with a 40 minute Mad Magic show which uses lots of audience participation.

Watch out for Rocky the Raccoon !

MAGIC SHOWS

My Magic Shows are very funny with the Magic always seeming to go wrong, which the kids take great delight in. I also include my circus skills and the Magic requires lots of audience participation. My helpers will be spinning plates, dressing up, performing Magic and feeding 'Rocky the Raccoon'.

Laughs are guaranteed - and the Birthday child will be the star of the show!

HARRY POTTER PARTIES

I come dressed as a wizard and over the next 2 hours the children are immersed into a mythical world of Magic, Wizardry, Fun and Games, The first hour consists of a 'Muggle Magic Workshop' where the children are divided into 4 'Houses' (Gryffindor etc.) They are then awarded house points for various tasks such as tongue twisters, plate spinning and Quidditch practice. The House with the most points wins! This is followed by a demonstration of my Circus skills, Balloon Modelling, and finishing with a Mad Magic Show. These are my most popular parties which children of any age enjoy. (You can have a 16 year old sitting together with their 3 year old sister and both will have great fun scoring points for their house)

CIRCUS WORKSHOPS + CIRCUS WORKSHOP PARTIES

These prove popular to both children and adults alike. The venues range from Schools, to adult 'Team Building' events. The many activities I provide include - Juggling, Spinning Plates, Poi, Stilt Walking, Mini-bikes, Diablos, Balancing props, Giant YoYos, Flower Sticks, Puppets, Puzzles, Magic props and much, much more!

WALKABOUT CLOWN

I do many large events where I am needed to entertain as many people as possible. As a Walkabout Clown I'll entertain children and adults with Balloon Models, Spinning Plates, Juggling, 'Rocky the Raccoon' and Magic.

JUGGLER

As a Juggler I'm often called on to provide atmosphere to such events as Medieval Nights and Shop promotions.

CLOSE-UP ADULT MAGICIAN

Suited and booted, I'll 'Table Hop' and amaze at any event. I'm not like the usual stuffy old magician where it's "pick a card".

I like to use things that are personal to the guests, like their rings, necklaces or money. This way you are guaranteed their total attention followed by their amazement!
