

Martin's Magic

CHILDREN'S ENTERTAINER : CLOSE-UP MAGICIAN

Martin is always a big hit with the children. He is funny, has lots of magic tricks to show, and always brings along some of his friends including Fred the Parrot, Barry, the life-size ventriloquist dummy and Wizzie and Woo, the live magic rabbits.

The show can also include Magic Martin's Puppet Theatre.

The grown ups can relax knowing the children are having a great time.

Martin's magic is ideally adapted for outside work and shopping malls. Whether the audience is one of children only or a mixture of adults and children the entertainment comes fast and furious.

Stand-up magic with a comedy flavour, balloon modelling, puppets, Punch and Judy and ventriloquism - all are available.

Magic Martin's traditional Punch and Judy show really gets the children going. Using figures last seen on Swanage beach in 1969 the show is always a little bit different according to the audience and Mr Punch's mood.

The mayhem lasts for about 20 minutes and can be incorporated into a magic show or booked on its own.
