

Piano Vocalist Oliver

Oliver is resident pianist and vocalist at the Ritz Hotel, London.

He has entertained many celebrities, stars and royalty there since 1995.

Although only in his mid thirties he has gained vast experience performing at nearly 5000 private and public events.

His feather-like touch on the keyboard and soulful voice are a trademark of his art and have entertained and been admired by thousands over the years.

A vast repertoire include the music of Frank Sinatra, Nat King Cole and Ella Fitzgerald right through the spectrum to more contemporary artists such as Billy Joel, Elton John and Stevie Wonder.

Oliver's ability to work an audience is magical. His colossal musical gift and friendly personality coupled with an uncanny knack of knowing instinctively what people want to hear (even before they do, sometimes!) ensures that wherever he plays, the party always goes with a swing.

His voice (with it's three octave range) has been likened to Chet Baker and Billy Joel but with a style that is uniquely Oliver.

As one New York music fan put it "He out-Manilows Manilow!"

Oliver creates all his own arrangements that are instantly recognisable for their pianistic dexterity as well as their vocal individualism.

Oliver's Repertoire

Oliver is all you need to ensure your ceremony is a memorable, musical occasion.

Oliver plays music for your entrance, signing the register and exit plus any incidental music required.

Oliver provides all necessary equipment and sets up discreetly in your venue/church. All you have to do is choose the music. Popular pieces include Mendelssohn's "Wedding March", Pachelbels "Cannon" and Nat Cole's "Unforgettable". Oliver reckons he knows most tunes and any he doesn't know can be picked up in a matter of moments.

Receptions

With ages of wedding guests ranging from 1 - 100 Oliver's repertoire is deep enough to cater for everyone. Names like Sinatra, Cole, Gershwin, Elton John, Billy Joel and Robbie Williams spring to mind. Many brides & grooms have been delighted with the warm, exciting, buzzing atmosphere created at their reception by Oliver's mix of easy-listening / well known, light jazz / good pop tunes.

Dinner Jazz

Oliver's vast experience in playing for intimate dinners means that he is a tuned exactly to your guests needs. If the conversation is subdued and intimate he plays soft, soothing music at *the correct volume*. If the level of talking rises and there is laughter in the air - so his tunes reflect the mood of the evening. From the soft, moody, tinkling of beautiful melodies to the swinging numbers of Sinatra and Nat King Cole Oliver will add that magic touch to your dinner.

Lively Parties

Not everyone likes the sound of a banging disco at a party but everyone like the sound of a live pianist/singer who can cater for most peoples taste. Oliver *is* that entertainer. In one evening he can cover Sinatra's "Fly Me to the Moon" and "Pennies from Heaven" and bang-up-to-date Robbie Williams' "Angels" and Ronan Keating's "When You Say Nothing at All". Somewhere in between all that he inds time for Elton's "Daniel" and Billy Joel's "Just the Way You Are"
