

Pianogirl Karen

Karen began playing the piano at the age of 4, and working as a cocktail pianist 10 years later.

She studied piano and violin at Trinity College of Music in London, graduating with a 2/1 honours degree. Her playing career has seen her in many different roles as cocktail pianist/singer on cruise ships and in 5-star hotels both in the UK and abroad; keyboard/vocalist with various bands, working with international cabaret artistes; MD for production companies on land and at sea; classical recitals; songwriter; accompanist; arranger - if it's musical, she's probably been involved!

With a repertoire covering music from Chopin to Cole Porter, from Albeniz to Alicia Keys, from South Pacific to Phantom of the Opera, and from Scott Joplin to Elton John and Norah Jones, Karen's distinctive voice, timeless piano style and easy chat are suitable for any venue.

Weddings

As your guests enter for the reception, a piano plays soft music. When you take your seats at the top table the pianist plays your favourite song. The music continues throughout your first dinner together as husband and wife.

You can choose any songs which have a special meaning for you and you will hear them played and sung (if you wish) during your reception and dinner.

If there is no piano at your venue I can supply my own digital piano.

On your special day you want everything to be perfect!

Corporate Events

Add class to your corporate function with elegant piano music, cool classics and smooth vocals. Whatever the style of your company I can provide suitable music for your celebration.

From an entirely classical evening, songs from the musicals, through a repertoire of Cole Porter, George Gershwin and Jerome Kern (as sung by people such as Frank Sinatra, Sammy Davis Junior and Dean Martin) to more modern piano stylists such as Elton John, Billy Joel and Alicia Keys, there is music to suit every taste.

Maybe you would prefer more up tempo music - Abba, Aretha Franklin, Bon Jovi and other favourite artistes are also part of my repertoire.

If your function room has no piano you could opt to hire a grand piano, or I could provide my own digital piano and PA system.
