

# Airplane Simulator Hire

Full Sized Flight Simulator You need to see this to believe it. This is a fuselage from a TB-9 front propelled plane.

The aircraft has cream leather interior, large enough to seat 4 people.

The pilot controls the flight with the actual TB-9 controls. This simulated flight experience is one to behold, with fun, easy game play, your guests will be queuing around the room to have a go.

You can fly the red bull air race, take a stunt flying lesson or even take steady fly over London City.

This simulator can be used as part of a team building event, as theming for a large event, as evening entertainment or just for a unique experience.

Whatever the reason, we are the only place you can find this simulator, so enquire now.
