

Black & white or watercolour caricature paintings.

Rick has been entertaining On-the-spot for some fifteen years. He has a reputation for being a complimentary caricaturist, never cruel or unkind (unless asked!). He draws full body caricatures including a hobby, pastime or themed to your event. There two main ways of drawing caricatures at your event, **TRADITIONAL** black and white on paper and **COLOUR PROJECTION CARICATURES** on the big screen.

TRADITIONAL CARICATURES Rick is happy to wander among guests through reception drinks and go around the tables during meals, but is equally happy located in a fixed spot in which case two chairs are all that's required. Each picture is drawn on A4 in Black and White with grey toning. If you would like all your guests to appear on one picture that's possible too.
