

# Simply Piano

## Daniel

One of the northwest's leading freelance pianists, Daniel has earned quite a reputation over several years, with an extensive collection of beautiful music from the great composers Cole Porter, Duke Ellington, George Gershwin and many more.

Learning the piano at an early age he went on to study at the City of Leeds College of Music before enrolling at The Royal Military School of Music (Kneller Hall).

On graduating he was posted to Germany as a Clarinetist/Pianist where he performed for dignitaries and politicians across Europe. Today he plays regularly at a number of venues around the northwest in addition to performing at weddings, dinner parties, corporate events and other special occasions.
