

Spencer the Artist!

Spencer is the number one choice of caricaturist with agents and event organisers all over the north west. He is ideal for weddings, birthdays, christenings, bar mitzvahs, corporate events... in fact any occasion when you want something a bit different that will not only amaze your guests but give them a souvenir that they will keep forever!

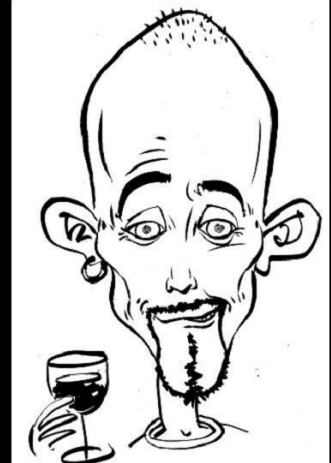

Spencer says: "a successful caricature must capture a great likeness and be an individual creation; it must be drawn quickly and stylishly; above all, it must be FUNNY."

Spencer's list of past clients includes, amongst many many others: AstraZeneca, AA, British Aerospace, Kelloggs, Manchester University, Toshiba, Honda, Mercedes, Nissan, Guinness, First Choice Holidays, HSBC, PC World...

Laughter guaranteed!

Spencer works usually for about three hours and gives superb value for money. He is very quick and uses a black brushpen, giving a very bold, fluid and graphic image. Don't worry if any of your guests are the "sensitive" type - nobody gets offended and he isn't too cruel (unless you want him to be of course...)
