

Steve 'The Gag' Lee

Steve has been performing as a stand up comedian and comedy coach for the past 8 years; he is also a profession writer for other comics including jokes and comedy sketches. This guy is an out and out gag teller, someone who can really involve and please the crowd in front of him!

Steve often performs at rotary club functions, golf clubs, cabaret evenings and many other occasions. Steve can work with any audience and does something to suit everyone! Although Steve is based in Harlow, he is happy to travel the length of the country when booked to do so.

Steve is the perfect all round entertainment performer, a talented comedian and singer who writes all him own material! He comes fully self-contained with the aim to entertain every audience put in front of him. Steve is certainly a name for the future, and is currently passing on his talent by coaching young up and coming comedians.

His show is a gag-based show and is suitable for all age groups, although feels he is at his strongest when performing for an adult audience. Steve gives a spontaneous performance with around ninety percent of his act consisting of 'off the cuff' gags, with just a small part taken from everyday life. Steve has a very strong stage presence and his wealth of experience reflects in the performance he delivers. His diary is, unsurprisingly, busy so please book without delay!
