

The 'M' Quartet

The 'M' Quartet is taken from a pool of young female professional musicians.

We are able to produce a wide range of styles, from formal to funky, baroque to boogie, and have a comprehensive repertoire. If you would like to hear a particular piece of music not on our repertoire list, it can be arranged specially for the quartet to play.

We can also cater our appearance to any type of event, and are able to incorporate additional members to form a chamber orchestra for events which may require a larger group.

As well as being highly experienced in the classical field, members of The 'M' Quartet have also appeared live and on television (top of the pops/sm tv/an audience with... etc.) with artists such as Elton John, Lulu, Westlife and more.

The 'M' Quartet is also available for recital performances, session and television work.

For any occasion, be it festive or romantic, personal or civic or business, The 'M' Quartet can help set the mood and add that finishing touch.
